131/8,Pallapatti,Salem | vishwaspatil9789@gmailil.com | www.linkedin.com/in/nikhil-v-

## SUMMARY

AI and ML enthusiast pursuing a B.Tech at Karpagam College of Engineering, with a diploma from Thiagarajar Polytechnic College. Completed internships in Artificial Intelligence at Internship Studio and Data Science at Optimus Technocrats, gaining hands-on experience in machine learning and data analysis. Skilled in applying AI techniques to solve real-world problems.

## PROFESSIONAL EXPERIENCE

### Internship, internship studio

- Completed an Artificial Intelligence internship at Internship Studio, gaining practical experience in developing and implementing AI models.

### Internship, optimus technocrats

Completed a Data Science internship at Optimus Technocrats, focusing on data analysis and visualization.

## PROJECTS

### Internship Studio

Implementation of PCA with ANN algorithm for face recognition

### Thiagarajar polytechnic college

- IOT Based Smart City Using AI
- Web development
- Python
- Java
- Machine learning

## EDUCATION

**Bachelor of Technology in Artificial intelligence and Data science July 2024 - Present** Currently pursuing my B.Tech Degree in Artificial intelligence and data science at Karpagam college of engineering

**Diploma in Artificial intelligence and machine learning Aug 2021 - Apr 2024** Completed my Diploma at Thiagarajar Polytechnic College

## ADDITIONAL INFORMATION

- Languages:** English,Hindi,Marathi,Tamil.
- Certifications:** Certiface of Ideathon at thiagarajar Polytechnic College,Machine learning algorithm certificate from Great Learning,Data science and Aanalytics from HP,Earned a certification badge from IBM for "Generative AI for Software Development",Earned the Walmart Advanced Software Engineering Certificate from Forage.
- Awards/Activities:** Achieved 4th place in the Ideathon competition at Thiagarajar Polytechnic College
